

FAITH MATTERS

A Message from Willard Pottinger

In 1954 I began 14 years of teaching high school English and French. Then followed 27 years as minister, until retirement in 1995. After retiring, I preached at Erskine 24 times.

My final sermon will be here on December 30th. That will terminate all my Tuesday classes and pulpit preaching since at 88, the torch must be passed on to others.

I want to thank Erskine for inviting me to teach and preach here.

Our future looks encouraging, and from my future place in the pew, I wish you well.
