History & Chapel Rooms

Erskine has been present in the Hamilton community for roughly 140 years. Our hope with the replant is that Erskine's ministry will be thriving for another 140 years and beyond. In order to do this our church needs to significantly increase its annual revenue. By 2025 we will need to increase our annual revenue by at least \$70,000. To assist achieving this, the HUB committee, Property committee, and Session have all voted in favour of renting out more space upstairs. This will require relocating the items in the History room and chapel to new spaces. Please join us on Sunday March 8th in the Fireside room to discuss how this transition can happen and how you can help to preserve Erskine's treasures for the next generation.
