Dear Erskine Congregation

We love that Erskine is a multi-generational church. With this comes the responsibility of guarding our health, the health of our seniors and young children, especially given the increased cases of the Corona virus.

To help reduce the spreading of germs, we ask that you do your part by following the steps below:

- a) be sure to wash your hands before greeting anyone at church
- b) if you are coughing, please cough into your elbow, not your hands
- c) please utilize the hand sanitizer at the back of the sanctuary (or bring your own)
- d) if you are sick, please stay home until you recover

As Christians we are not to be moved or motivated by fear. Our faith and hope rests in God, who gives us wisdom to guide us during these times. We will continue to meet and celebrate with one another and pray for the recovery of all those affected by this illness.

Blessings to you all, Pastor Mike Aldred

The older kids will be going to the Fireside room and the younger kids will be in the West Nursery. There will be an adult in the nursery if you wish to have someone watch your baby or toddler during service.
